- 2- EBS – Herbal Slimming Solution cleanses and detoxifies the body system at the cellular level;
- 3- EBS – Herbal Slimming Solution can reduce a women/man of 120kg (18St) to 80kg (12St) within a 8 week period (lose of 40kg = 6St), if taken regularly at a dosage of 1 tablespoon first thing every morning, if taken twice daily, morning and night weight will reduce drastically within 5 weeks.

Benefits:

- ^a - Remarkable Results in just 2 weeks!
- ^a - Drop 13lbs in 2 weeks
- ^a - Non-Surgical
- ^a - No Side Effects

“ Don't Take Our Word For It, Try It For Yourself ”

Dosage: 1 tablespoonful first thing in the morning for weight below 80kg (12 St). If weight is above 80kg (12St), 1 tablespoonful twice daily, however, if reaction is strong, reduce to once daily.

Directions:

Depending on the BMI and desired weight lose goal, a 250ml bottle will be enough. A person weighing above 87kg (12St), may be advised to take 500ml – 1Litre within the slimming period for a desirable result.

For faster results, eat lots of fruits especially grapes and vegetables.

Ingredients:

Formulated from wonderful kola extract, bladder wrack and natural honey.

* Caution: Not to be taken by pregnant women or women expecting pregnancy and children under 12 yrs.

Note to Journalist: LIMITED Samples available, please contact EBS for more information.
